

Corporate Social Responsibility Company Policy

Eternity Technologies

Policy brief & purpose

This policy refers to Eternity Technologies philosophy towards corporate social responsibility.

Scope

This policy applies to our company and its subsidiaries. It may also refer to suppliers and partners.

Policy elements

We want to be a responsible business that meets the highest standards of ethics and professionalism.

Our company's social responsibility falls under two categories: compliance and proactiveness.

Compliance refers to our company's commitment to legality and willingness to observe community values. Proactiveness is every initiative to promote human rights, help communities and protect our natural environment.

Compliance

Legality

Our company will:

- Respect the law
- Honor its internal policies
- Ensure that all its business operations are legitimate
- Keep every partnership and collaboration open and transparent

Business ethics

We'll always conduct business with integrity and respect to human rights. We'll promote:

- Safety and fair dealing
- Respect toward the consumer
- Anti-bribery and anti-corruption practices

Protecting the environment

Our company recognizes the need to protect the natural environment. Keeping our environment clean and unpolluted is a benefit to all. We'll always follow best practices when disposing waste and using chemical substances. Stewardship will also play an important role.

Protecting people

We'll ensure that we:

- Don't risk the health and safety of our employees and community.
- Avoid harming the lives of local and indigenous people.
- Support diversity and inclusion.

Human rights

Our company is dedicated to protecting human rights. We are a committed equal opportunity employer and will abide by all fair labor practices. We'll ensure that our activities do not directly or indirectly violate human rights in any country (e.g. forced labor).

Proactiveness

Preserving the environment

Apart from legal obligations, our company will proactively protect the environment. Examples of relevant activities include:

- Recycling
- Conserving energy
- Organizing reforestation excursions
- Using environmentally-friendly technologies

Supporting the community

Our company may initiate and support community investment and use where possible local suppliers.

Learning

We will actively invest in R&D. We will be open to suggestions and listen carefully to ideas. Our company will try to continuously improve the way it operates.

Management must communicate this policy on all levels. Managers are also responsible for resolving any CSR issues.
